**Redirecting Children's Behavior**

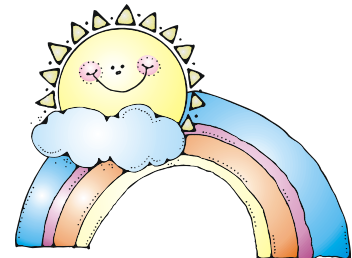

This very popular five-session workshop is based on the teachings of Rudolf Dreikers, M.D., a highly noted therapist, researcher and author. In this **for-parents-only** workshop, participants will learn to build self-esteem, eliminate power struggles, discipline without yelling, allow children to solve their own problems with guidance when needed, and learn positive messages rather than using guilt, nagging, threats, and bribes. Come sharpen your parenting skills and learn and grow with other parents.

**Class duration:** 2 hours 30 minutes (1 class per week, 5 weeks)

**Cost:** \$90.00 per person or \$150.00 per couple (5-week workshop), workbooks are included - 1 per couple

**Child Care:** \$15 per week per family (children must be 2 or older)
