well known and beloved  
characters leap out of the  
vivid imagination of Dr.  
Seuss and onto the stage.**

**Imagine a world where  
anything is possible - an  
elephant in a tree, a person  
too tiny to see, a heroic child,  
and dreams running wild!  
Seussical creates the witty,  
wild, and whimsical world of  
Dr. Seuss as it has never  
been seen before**

Metropolitan Educational Theatre Network is a non-profit educational organization which provides young people with the unique opportunity to be active participants in the dramatic process as actors, singers, and dancers. Founder Alex H. Urban, renowned educator and theatre director for over 35 years, has designed a program based on building self-esteem, grace, discipline, and poise within the individual. Studies show that kids who grow up participating in the arts score higher on the SAT by an average of 51 points on verbal and 38 points on math. That is the power of creativity!
