## PEPP Parent Information Night

March 19, 6:30 p.m. at  
**Painted Rock Elementary**

Many children entering Kindergarten at a younger age benefit from being given additional time to develop the self-confidence and readiness skills necessary for academic success. Poway Unified School District offers the **Poway Extended Primary Program (PEPP)**, a developmental program designed primarily for our younger kindergarten students, born between June 1<sup>st</sup> and December 2<sup>nd</sup>, and students with individual needs who would benefit from two years in a Kindergarten class.

PEPP has been in Poway schools for several years and is modeled after successful programs in other school districts. The program offers a developmental curriculum with instruction geared toward individual needs. PEPP is not intended as a remedial or special services program, but rather a developmentally appropriate first year of kindergarten, preparing students for a smooth transition to a traditional kindergarten classroom the following year.

PEPP is offered at several schools within our District. Placement in PEPP is **offered first to students living within the attendance boundaries of the school offering a PEPP class**. Parents may enroll their child **during the first ten days** of the scheduled kindergarten enrollment period at the school site, in May.

Should there be availability, enrollment is then open to parents wishing to transfer students from other schools where PEPP is not available. Parents wishing to transfer their child into a PEPP class, **MUST** place their name on a District transfer list. To place your child on the transfer list, call the PUSD Attendance and Discipline Office at 858-668-4156 or email: [ndanhauser@powayusd.com](mailto:ndanhauser@powayusd.com). **The PEPP transfer list opens March 1 of each year**. Beginning May 28<sup>th</sup>, the assigned PEPP school site will notify parents on the transfer list of an opening in PEPP. The parent will then be given 48 hours to enroll. Beginning June 1, parents may enroll their student in any PEPP school that has availability.

Students that participate in PEPP will be attending school daily on the half-day kindergarten schedule. They will also be eligible for Extended Student Services (ESS) for before and after school care.

Should you have any questions about PEPP, please call your local neighborhood school or Sai Embry, PEPP Coordinator, at (858) 487-1180.
