

The PTA's Community Concerns Committee "HELPING HANDS" is looking for children and parents who would like to help others in our community. Let's reach out and involve our children in **charitable projects**. Within our school, the district, our community, our city and beyond!!!

Our First Project will be a **Book Drive** starting TODAY and ending at the Fall Festival. Please donate gently used books for donation to the MRES library and 2 other non-profits. Please place your books in the "Helping Hands" bins outside of the library (next to recycling/in courtyard) or bring your donations to the Festival!

Please email Roxan :
roxands@yahoo.com

We want to hear about charities families are already involved in, too! Receive volunteer hours for organizations such as Girl Scouts or at work!!! Many companies offer a paid day off to help with charities.
