

Being a Room Parent

How do I start?

1. Communication is the key! Talk to your teacher about expectations, needs, etc. Talk to the parents, the co-room parents, the children.
2. Expectations of a Room Parent
 - * Class Parties
 - * Supporting and getting volunteer for PTA, School and Class Events
 - * Being a liason to other parents about class activities and other information
 - * Arranging teacher gifts
 - * Helping with the class yearbook page
 - * Being a support to the teacher
4. Allergies: Be aware and be careful! Check those ingredients and make sure your class party won't harm a child.
5. Check out when your Teacher's Birthday is
6. Get email addresses from class
7. Don't do it all by yourself! Let the other parents in the classroom help out.
- 8 Take photos throughout the year of all the kids in the class (groups are good too) so they can be used for the yearbook
9. Email or call me if you need anything
